Summer Analyst Programs and Virtual Recruiting Events

2021 Summer Analyst Programs

The following 2021 Summer Analyst Programs provide training and development, mentorship, and networking opportunities:

Investment Banking Program:

Summer analysts gain exposure to the business, learn financial modeling and valuation techniques, and contribute to innovative deals that are transforming today's corporate landscape.
▪ Application deadline: September 1, 2020

Capital Markets Program:

Summer analysts will have a hands-on experience interacting with global debt and equity markets, and will have the unique opportunity to help originate and execute new capital markets activities for Investment Banking clients such as corporate bond issuances or Initial Public Offerings (IPOs). Capital Markets offers the ideal mix of investment banking client coverage and real-time markets sales and trading exposure.
▪ Application deadline: September 1, 2020

Global Markets Program:

Summer analysts will develop technical and analytical skills while gaining exposure to their chosen business area.
Available programs include Sales and Trading (rotational), Equity Research, Securitized Products, and Leverage Finance Capital Markets.
▪ Application deadline: September 30, 2020

Asset Management Program:

Summer analysts join one of our boutique product groups and work on projects that make a tangible impact on our business. Opportunities in private equity fundraising are also available in our Private Funds Group.
▪ Application deadline: September 30, 2020

Internal Audit Program:

Summer analysts work a part of the team that protects the assets, reputation and sustainability of the organization through new technologies, data analytics and the latest training techniques.
▪ New York application deadline: September 30, 2020
▪ Raleigh application deadline: October 14, 2020

Technology Program:

Summer analysts work on state of the art programs and systems to support our clients and employees. These range from rapid trading programs for clients, to improvements in the bank's overall efficiency, to global, standardized infrastructure technology.
▪ New York application deadline: September 30, 2020
▪ Raleigh application deadline: October 14, 2020

Risk Program:

Summer analysts work as part of the team that acts as guardian of the bank's risk appetite and provides effective and independent risk oversight. Opportunities are available in Market, Credit, Operational, Fiduciary, Liquidity and Reputational risks.
▪ New York application deadline: September 30, 2020
▪ Raleigh application deadline: October 14, 2020

Qualifications and how to apply:

▪ You must be graduating in December 2021 or May/June 2022 to qualify for our summer analyst programs
▪ To apply, please submit an application **here**. You may apply to multiple programs
▪ Applications will be reviewed on a rolling basis
